It's hard to sharpen the other guy when your iron is dull.

You know the verse... As iron sharpens iron, one man sharpens another. Proverbs 27:17 is important for Seedtime. Our discipleship goals long to gather people ...to sharpen them with God's Word.

Frantz— your next caller is praising voodoo!

Frantz really enjoys his on-air teaching and preaching time every week on Bethanie FM and Manasse FM.

We Americans seldom, if ever, hear radio conversations about the value of voodoo to the people. Yes, some who call in to Frantz' radio program actually think voodoo has done good things for Haiti!

Frantz is a strong advocate for Jesus as you would expect, but he lives in a world where voodoo is often praised.

— Thank you Jesus for someone able and willing to testify to the people about God! —

While Frantz Pierre-Louis does get many moments to teach, between FM Radio invitations and church invitations, we have seen many, too many in fact, escape us.

The reasons that cancel so many of our long format Bible studies vary wildly. The most recent is a church who scheduled our Bible study and then also scheduled a church remodel at the same time. When the day came, every man except 1 went off to the church remodel.

We believe God is first sharpening *our* iron by letting us understand how unpredictable humanity can be, yes, but also how our frustration doesn't profit the situation.

Anger does not produce the righteousness God desires. James 1:20. With what we learn by enduring this small problem, we hopefully have a sharper edge to offer when class does convene.

Please plan now.

We count on God's provision to sustain Seedtime. Typically that means someone whose heart loves discipleship ministry uses the contact information on the top right part of this newsletter to make an offering. (Designated or undesignated, we'll honor your request). A few of you give regularly and that gives us a budget to work with. We'd love to expand the number of regular supporters.

We know many folks like to give just once in awhile. Either way, please plan now for a Christmas gift for Seedtime, especially Frantz. Discuss this with your family, your Sunday school or church missions group. Perhaps your business would make a donation.

We can put it to work in Haiti teaching God's Word.
