Friends of Seedtime,

Opportunity Knocked

Another FM Radio station scheduled Frantz for regular airtime!

In addition to regular appearances on Bethanie FM and Manasse FM, Frantz is now heard twice each week on RTG FM 104.9 in Passe Catabois, southwest of Port-de-Paix, Haiti where the other stations are located.

RTG FM is testing Frantz for the next 4 weeks to see what they think. Frantz completed his first 30 minute program September 3rd.

After the program he received a call from a Pastor in the zone who said he very much liked Frantz' teaching and would make sure to listen Tuesdays and Thursdays.

RTG, which stands for **Radio Tabernacle de Gloire** is out of town about one hour by moped, so Frantz is doing the program by phone for now. God also provided a hotel near Frantz' home that allows him a quiet place to speak and use their internet.

RTG makes about the 10th radio station to invite Frantz to teach. The 3 stations mentioned above are the only ones that regularly call on Frantz and RTG is the first to try maintaining a set schedule.

The formality of radio broadcast work is building little by little for Mr. Frantz Pierre-Louis! God is providing training that we couldn't imagine 5 years ago. We are pleased and excited for all that we see.

- Most media attention in Haiti is on Port-au-Prince or along major highways where UN troops and gangs jockey for power.
- In Haiti's rural northwest, God has a quiet training program for Seedtime ministry to bring a message from God's Word, a still small voice that will be the gamechanger the people need.

Your prayers and support are important to us.

Thank you for walking with Seedtime and Harvest!
