Friends of Seedtime,

**The body feels bad but,
my spirit feels God's presence.**

Frantz Pierre-Louis

We suspect it took illness for Frantz and his wife to slow down and take a break... sort of.

There are no breaks in their painfully manual society. Haiti offers very little convenience with anything. Carry in all your water for the family in 5 gallon buckets for starters. But sickness took over Frantz and his wife the last 2 weeks. So there has been time for them to rest and, as Frantz reports, prayer time, Bible reading and meditation.

He was very appreciative of the prayers sent by Friends of Seedtime and said he has faith in the Lord and finds strength in his name. The title also comes from Frantz which we find encouraging.

Frantz is recovering from a severe head and chest cold, while his wife, Elisiane has suffered from a variety of problems. Painfully swollen knees are sidelining her even now, but just prior to that she had troubles with her feet, abdomen, headaches and even temporary paralysis.

So this week, we ask you to pray for these two for complete healing.

While you're at it, we have supplies enroute, including a few basic over-the-counter meds that Frantz is still waiting for. Hoping for a January arrival. Prayers please!

If you have given financially to Seedtime in 2024, we have now mailed out your individual giving report, including information for tax deductibility. If you have questions call Laurie at 316-249-8940 or Brian at 316 305-6295.

Frantz, Elisiane, Gaele and young Jade in healthier times.

**Looking to lose
weight this year?**

No fear!

**You're already lighter
than you realize.**

Psalm 62:9

Those of low estate are but a breath;
those of high estate are a delusion;
in the balances they go up;
they are together lighter than a breath.

**The love of God towards us
is weighty.**

But you and me are not.

Stay humble my friend!!
