## Friends of Seedtime,

Back on-air *with* **God's Good News**

RTG, Manacee, Tele-Bouje and Bethanie

Since returning from his illness these last 2 weeks, the 4 FM radio stations above have called on Frantz to come teach and preach. And he came giving God's Word.

It's a blessing from God that they waited patiently for Frantz to heal and return to their airwaves. A few came to his house to pray with him and his wife who has also been ill.

**Thank you** for walking with Seedtime to offer Christian discipleship to Haiti. The doors open and we walk through them because you walk with us supporting financially and prayerfully.

We love our FM radio opportunities, but we haven't given up on face-to-face teaching. Frantz is always tracking a variety of churches where Pastors are discussing schedules.

Just last weekend, one lesson was canceled because their generator failed to work. The Pastor sent everyone home and said he'd call when things were ready.

Another Pastor called Frantz and said he'd taken our Bible study a few years ago when I (Brian) was there with Frantz to teach. That Pastor said he'd ignored our teaching, promptly stepping into some debt he greatly regretted. Now, he wants to have Frantz come back and teach again. This time he promises to listen carefully.

It seems Frantz is enjoying giving out Bible reading calendars to his listening audience. We'll need more of these calendars if we are going to be prepared.

The supplies we shipped in August and November are **still** in transit. A prayer or two would be greatly appreciated.

**Thank you for walking with Seedtime and Harvest!**
