Friends of Seedtime,

Small Package **Big** Contents

It's just 1 small plastic storage tub, found in stores everywhere. But ours contains 520 Bible Reading Calendars. That box is now heading to Haiti with your assistance.

We look to add to the number of Haitians who regularly read God's Word. It's a big part of the equation. But God isn't leaving them to read and figure it out alone.

God continues opening doors for Seedtime to broadcast Christian teaching in Haiti. You probably already know that over 12 FM stations have hosted Frantz already.

But now, one station just offered Frantz regular on-air slots instead of serving as a fill-in. They want one hour of Christian content twice a week. A second station is asking for one hour shows 5 days a week!

Frantz is obviously pleased and excited. And so are we.

HELP THEM READ THEIR BIBLE. HELP THEM UNDERSTAND IT. DISCIPLESHIP CONTINUES TO GROW THROUGH SEEDTIME.

We will try ... We will try to capture photos of this work, however, the significant events come in the people's private times with Bible reading or listening to their radios at home. Although we can not see these moments taking place, we're betting that God is planting seed through our ministry and our Friends

... and a harvest will be ready in due time.

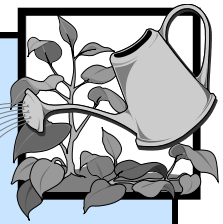

Stop reading now unless you're okay with us asking about the support to make this happen!

When I asked Frantz if the radio stations offered any pay for conducting the programs, he said they didn't even offer to put a little gas in my moped.

We're assuming God has that provision planned out as well, since he knows Frantz at least needs to eat.

If that financial help is supposed to come from you, please let us know.

Thank you for walking with Seedtime and Harvest!

Small Package Big Contents

The title clearly refers to:

1. Small Bible calendars that yield big gains!
2. Our small ministry providing a big boost to Kingdom discipleship!
3. Individual Seedtime Friends who share a small part of the burden to edify others with God's Word!
4. The potential of Haitians to grow and learn to please God in their walk.

If it's yielded to God, then yes, it's any of them. Small packages with big contents.
